A Common Sense Talk

WITH YOU ABOUT YOUR LAUNDRY WORK

Individual Service and Co-Operation our Strong Points

Waltham Laundry Co.

CAREFUL LAUNDERING

PROMPT DELIVERIES

FOR MAN OR WOMAN A GOOD LAUNDRY is a necessity! ¶ Choose it carefully, for it means much to you. How many people thoughtlessly entrust expensive custom-made shirts or delicate household linens and lingerie to the first person who solicits a trial! ¶ You should be just as careful in selecting the laundry which will do your work as you would be in deciding where you will purchase your provisions. ¶ Absolute cleanliness, good light and ventilation, intelligent, careful employees, and the most modern mechanical equipment are the principal features of an efficient, SAFE laundry. ¶ The average laundry pays little heed to individual requests from its customers. ¶ Your requests and your instructions are what we want if we are to do your laundry. That is why we furnish our customers with a pad of lists designed especially for them to note their individual requirements. These features appealing to you, why not telephone us to-day? *Waltham 990.*

Ours is Not an Ordinary Laundry

WE CAN SHOW YOU *NOW* the reason we make this statement.

¶ This list of cities and towns covered by our delivery service is unusually extensive.

¶ The best of residents in these localities *must get good results from us*, week after week, or they could not be induced to deal with a concern twenty, thirty or even forty miles distant from them.

¶ These same people have patiently experimented with ordinary local laundries and have finally learned that uniformly good laundering is obtainable only in a thoroughly equipped modern establishment like ours.

¶ *Remember*, please, the personal element enters into good laundering just as much as in other large industries. Call us by telephone or write us, explaining your laundry needs or troubles and we shall gladly advise you, even though you may not wish to disturb your present arrangements. Telephone *Waltham 990*.

¶ Some interesting laundry details appear on the other side of this sheet.

A Suggestion

Before using a directory anywhere, look to see if it is the latest edition. The merchant who does not keep the latest directory for his customers' convenience, does not show them a courtesy they may obtain elsewhere.
